Default Judgment Order as to Certain Defendants

This action having been commenced by Plaintiff XiaoQian Zhao (“Plaintiff”) against the defendants identified in Schedule A attached hereto (the “Defendant Online Stores”), and Plaintiff having moved for entry of Default and Default Judgment against them (the “Defaulting Defendants”);

This Court having entered a preliminary injunction; Plaintiff having properly completed service of process on the Defaulting Defendants, the combination of providing notice via electronic publication or e-mail, along with any notice that Defaulting Defendants received from payment processors, being notice reasonably calculated under all circumstances to apprise Defaulting Defendants of the pendency of the action and affording them the opportunity to answer and present their objections; and

Defaulting Defendants not having answered the Complaint, and the time for answering having expired, so that the allegations of the Complaint are uncontroverted and deemed admitted;

This Court finds that it has personal jurisdiction over Defaulting Defendant because Defaulting Defendants directly targeted their business activities toward consumers in the United States, including Illinois. Specifically, Plaintiff has provided a basis to conclude that Defaulting Defendants have targeted sales to Illinois residents by setting up and operating at least the

Defendant Online Stores which target United States consumers using one or more seller aliases, offer shipping to the United States, including Illinois, and has sold products using infringing versions of Plaintiff's federally registered copyright, which is protected by United States Copyright Registration No. PA 2-413-422 (the "Plaintiff Work") to residents of Illinois. See [Dkt. 8-2], which includes screenshot evidence confirming that the Defendant Online Stores do stand ready, willing and able to ship its unauthorized goods to customers in Illinois through reproducing without authorization the Plaintiff Work.

This Court further finds that Defaulting Defendants are liable for willful copyright infringement (17 U.S.C. § 504).

Accordingly, this Court orders that Plaintiff Motion for Entry of Default and Default Judgment is GRANTED as follows, that Defaulting Defendants are deemed in default, and that this Default Judgment is entered against Defaulting Defendants.

This Court further orders that:

1. Defaulting Defendants, their officers, agents, servants, employees, attorneys, and all persons acting for, with, by, through, under, or in active concert with them be permanently enjoined and restrained from:
 - a. reproducing, distributing copies of, making derivative works of, or publicly displaying the Plaintiff Work in any manner without the express authorization of Zhao;
 - b. committing any acts calculated to cause consumers to believe that Defendants' products are those sold under the authorization, control, or supervision of Zhao, or are sponsored by, approved by, or otherwise connected with Zhao; and
 - c. manufacturing, shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for Zhao, nor authorized by Zhao to be sold or

offered for sale, and which bear any of Zhao's copyrights, including the Plaintiff Copyright, or any reproductions, counterfeit copies, or colorable imitations.

2. Defaulting Defendants and any third party with actual notice of this Order who is providing services for any of the Defaulting Defendants, or in connection with any of the Defendant Online Stores or other online marketplace accounts operated by Defaulting Defendants, including, without limitation, any online marketplace platforms such as Amazon, eBay, web hosts, sponsored search engine or ad-word providers, credit cards, banks, merchant account providers, third party processors and other payment processing service providers such as PayPal, AliPay, Payoneer, Skrill, Ping Pong, and Amazon Payments, and Internet search engines such as Google, Bing and Yahoo (collectively, the "Third-Party Providers") shall, within seven (7) calendar days after receipt of this Order shall:
 - a. disable and cease providing services being used by Defaulting Defendants, currently or in the future, to engage in the sale of goods using the Plaintiff Work;
 - b. disable and cease displaying any advertisements used by or associated with Defaulting Defendants in connection with the sale of counterfeit and infringing goods using the Plaintiff Work; and
 - c. take all steps necessary to prevent links to the Defendant Online Stores identified on Schedule A from displaying in search results, including, but not limited to, removing links to the Defendant Online Stores from any search index.
3. Pursuant to 17 U.S.C. § 504(c)(2), Plaintiff is awarded statutory damages from each Defaulting Defendant in the amount of thirty thousand dollars (\$30,000) for willful use of infringing the Plaintiff Work when selling products through at least its Defendant Internet Store(s).
4. Any Third Party Providers holding funds for a Defaulting Defendants, including Amazon, eBay, and PayPal, shall, within seven (7) calendar days of receipt of this Order, permanently restrain

and enjoin any accounts connected to the Defaulting Defendant or its Defendant Internet Store(s) from transferring or disposing of any funds (up to the statutory damages awarded in Paragraph 4 above) or other of the Defaulting Defendant's assets.

5. All monies (up to the amount of the statutory damages awarded in Paragraph 4 above) currently restrained in a Defaulting Defendant's financial account(s), including monies held by Third Party Providers such as Amazon, eBay, and PayPal, are hereby released to Plaintiff as partial payment of the above-identified damages, and Third Party Providers, including Amazon, eBay, and PayPal are ordered to release to Plaintiff the amounts from the Defaulting Defendants' financial accounts within fourteen (14) calendar days of receipt of this Order.
6. Until Plaintiff has recovered full payment of monies owed to it by a Defaulting Defendant, Plaintiff shall have the ongoing authority to commence supplemental proceedings against that Defaulting Defendant under Federal Rule of Civil Procedure 69.
7. In the event that Plaintiff identifies any additional online marketplace accounts or financial accounts owned by a Defaulting Defendant, Plaintiff may send notice of any supplemental proceeding, including a citation to discover assets, to the Defaulting Defendant by e-mail at the e-mail addresses provided for the Defaulting Defendant by third parties.
8. The ten thousand dollar (\$10,000) surety bond posted by Plaintiff is hereby released to Plaintiff's counsel, AU LLC 444 W. Lake St. 17th Floor Chicago, IL 60606. The Clerk of the Court is directed to return the bond previously deposited with the Clerk of the Court to Plaintiff's counsel.

This is a Default Judgment as to the Defendants named herein.
